

From 15 to 21 April 2019 cabar.asia analytical platform, with the support of the Institute for War and Peace Reporting in Central Asia and the OSCE Academy in Bishkek, organized the Second Program for young experts from Central Asia within its School of Analytics. More than 20 young researchers from Kazakhstan, Kyrgyzstan, Tajikistan and Uzbekistan participated in the program.

The main goal of the School was to build the capacity of young researchers and analysts by improving their skills to develop analytical publications for the media on topics related to the problems of Central Asia. Below please find the series of video reports on each day at the School of Analytics 2019.
