

The Representative Office of the Institute for War and Peace Reporting (IWPR) in Central Asia invites you to participate in the international online discussion on the impacts of COVID-19 pandemic on implementation of the Chinese BRI in Central Asia.

Follow us on [LinkedIn](#)

- Geopolitical changes in the world and BRI promotion in Central Asia
- What will be the economic consequences for the region?
- How the pandemic will affect the implementation of the “Belt and Path” in Central Asia?
- What changes can we expect from China’s soft power?

Analysts and experts from Europe and Central Asia will hold discussions on these topics.

You can join the discussion on Facebook live (@cabar.asia), as well as through the ZOOM conference by the following link:
